

Last Minute Safari Packages from Zanzibar

Tanzania is Africa's finest Safari destination. One quarter of its area has been set aside for conservation purposes, with the world-renowned Serengeti national park and wild Selous Game reserve heading in rich mosaic of protected areas that collectively harbor an estimate of 20% of Africa's large mammal population.

Our wide experience about Tanzania wildlife has enabled us to create for you trips and safaris of which you will enjoy a range of unique activities on your holidays. Our team of dedicated Tour Guides will take you through some of the Tanzanian most impressive landscapes, national parks and bring you into contact with local and cultures of Tanzanians. You can just relax and enjoy the journey, knowing that the trips and safaris have been carefully thought out using the expertise of our travel partners. We will bring you to the most famous national park in Africa present in this profile.

SELOUS GAME RESERVE

Standing as the largest game reserve in Africa, Selous is also the second largest conservation area in Africa sized at 5,000 square kilometers. It is definitely noted as even four times bigger than the Serengeti. While in Tanzania, it is very special to take a safari to Selous as it is one of the most remote game reserves hence least visited parks in Africa.

Our Team of Experts.

We believe that no matter how great a place is; only experienced travel experts can help you discover its unique and amazing qualities. The Sima Safari team of specialists works with great passion, professionalism, smile and knowledge not only to show you the best of Tanzania but to allow you to feel it with all your senses.

SAFARI TIPS

Safari Tips

Blessed with spectacular scenery, prolific wildlife and superb coastline, Tanzania has long attracted seekers of an exotic holiday from across the globe, its rich history, cultural heritage, idyllic beaches and wildlife safari complemented by warm hospitality of the charming people, make for a most memorable experience.

Safari Clothing

Dress in natural colors like brown, beiges, and khaki. shorts or trousers and short-sleeved shirts/blouses or T-shirts, in cotton are generally preferable. Light woollens may be required in the evenings or early mornings, especially in the northern circuit.

Things to Pack.

- Passports **Mandatory**
- Camera memory cards – The novice explorer took 10 Gigs of videos and photographs.
- Sun hat, sun glasses, and sunscreen
- Small trolley will be enough and can always leave the big suitcase with us or in your hotel in Zanzibar
- Snacks are always good idea

Tips

- Safari tour guide we recommend 30\$ per day for the whole car
- Hotels and lodges: 5000 Tanzanian shilling per person in the tip box at the reception desk

Expectations

Learn which animals are grazers – eat grass only; such as the wildebeests, zebras, warthogs, and hippos.

Learn which animals are browsers – eat leaves, grasses, trees, bushes; like the elephants, giraffes, elands and other antelopes.

Listen and follow the instructions of the ranger/guide - #1 responsibility is to keep safari guests safe from danger.

Wild animals are unpredictable, and should not be provoked. Stay in the safari vehicle. If on a walking safari, NEVER get between a mother and its young
